Toronto.

Dear Mr. Lash:

I have read your address with great interest and have made some pencil marks which occur to me as being necessary or desirable in order to bring it up to date. Would you kindly look over them, and let me have the address again ? Possibly all that would be necessary would be to have an addendum with these changes slipped in, that is to say if you have enough copies to go round the Cabinet.

With kind regards, I am,

Yours sincerely,

President.

CABLE ADDRESS: BLAKES, TORONTO.

Toronto, December 4th, 1919

Sir Robert Falconer,

President, University of Toronto,

TORONTO.

My Dear Sir Robert:-

Yours of 3rd received. I will make the necessary changes, and I think it would be wise to have the paper reprinted when changed. I presume that the printing could be done as quickly and as cheaply by the University Press as elsewhere. Sir Joseph Flavelle has made a suggestion which I will embody. Please send me a memo of the cost of the printing, as I would like to pay it myself.

I think it would be important to make reference to the buildings and gifts, scholarships, etc. given by private individuals or the public, as distinguished from the Government, and if you could send me some information upon this, I would insert it by way of addendum, and take the opportunity, in the same way, of bringing the various figures, expenditure, numbers of students etc. up to date, and giving other later information, if thought advisable. I will ask Sir Edmund about mentioning the agreement with the Toronto Conservatory of Music.

Yours sincerely,

Z. A. Lash

Dear Dr. Lash:

I am sending you a memorandum on the buildings, gifts and scholarships given by private individuals or groups of individuals as distinguished from the Government.

With regard to the printing, if you will send me the document with the additions I will have it put in the hands of Mr. Hamilton, the University Printer, and ask him to put it through as soon as possible. I believe that he will do it as quickly and as cheaply as any where.

Yours sincerely,

President.

With very deep regret the Board of Governors record the death since the last meeting of Mr. Z. A. Lash, K.C., LL.D., a member of the Board for years and Vice-Chairman for . In doing so the members of the Board desire to express their personal sorrow at the loss of one who by his genial character and remarkable abilities had won their respect and regard. Mr. Lash rendered unusually effective and varied services to the University. During his years on the Board he undertook the Chairmanship of many important committees the reports of which by reason of his masterful grasp and clear exposition of principles not only served their immediate purpose but are of permanent value. The memory of Mr. Lash will always remain as that of a delightful companion, a remarkable adviser, and a devoted friend of the University.
